

TDER technical specification of 3ton road roller

model	TR30
engine	Changchai ZN390B
Engine type	Diesel in-line water-cooled four-stroke
Output Power	28.5kW
Front drum width x diameter	1200*630mm
Driving speed	0-10km/h
gradeability	30/35%
cooling system	Water cooling
Pump	Imported pump
Exciting force	35KN
Water tank volume	140 L
frequency	65hz
working weight	2450kg
Package Size	2480*1355*1955 (tilting height of tilting rack)
Vibration amplitude	0.5mm
sprinkler form	Electronic intermittent sprinkler
Hydraulic oil capacity	46L
fuel capacity	42 L
